S28	23	(classif$7 near image) and metadata and @pd<"20030129"
S59	4	((greater or more or larger) near number near images near group)
S60	173	(strict$2 near (rules or conditions)) same image
S32	101	((different or multiple or various) near (duration or time)) same slide same display$3

S65	1	too many results same modif$6
S68	6	09/973703
S53	5551	(image near extract$4) and group and (rules or conditions)
S40	35	((different or multiple or various or several or longer or short) near ((time adj2 (length or duration)))) same video same display
S41	22	((different or multiple or various or several or longer or shorter) near ((time adj2 (length or duration)))) same video same display
S42	1245	(different or multiple or various or several) near sizes near print$3
S57	0	((greater or more or larger) near number near images) same ((higher or lower or increase or decrease) near threshold)
S69	350	FUJIFILM CORPORATION.asnm.
S49	1296	(greater or more or larger) near number near images
S62	0	large near number near results near modif$6
S30	26	((different or multiple or various) near duration) same slide
S36	16	((different or multiple or various) near (duration or (time adj length))) same slide same view$3
S66	3	(search near results near (modif$6 or constrain$4)) same (many or large)
S31	52	((different or multiple or various) near duration) same slide
S67	196	(search near results) same (many or large) same (modif$6 or constrain$4)
S48	33	(strict$2 near (rules or conditions)) same (greater or more or larger) same image
S72	4	S71 and (classif$6 and image and similar).clm.
S54	371	S53 and (image near classif$6)
S58	18	((greater or more or larger) near number near images) same threshold
S39	289	((different or multiple or various or several or longer or short) near ((time adj2 (length or duration)))) same video
S56	0	((greater or more or larger) near number near images) same ((higher or lower) near threshold)
S29	0	group same (different near duration) same slides
S37	56	((different or multiple or various) near (duration or (time adj length))) same slide
S34	1	((different or multiple or various) near (duration or time)) same slideshow same view$3
S51	12	(greater or more or larger) near number near images near (group or set)
S47	5	(stricter near (rules or conditions)) same (greater or more or larger) same image
S43	28	(different or multiple or various or several) near sizes near print$3 near images
S38	150	((different or multiple or various or several or longer or short) near ((time adj2 (length or duration)))) same slide$4
S64	5	(results near modif$6) same images same (many or large)
S35	15	((different or multiple or various) near (duration)) same slide same view$3
S45	5	(stricter near (rules or conditions)) same (more or greater) same image
S61	173	(strict$2 near (rules or conditions)) same images
S44	3	(stricter near (rules or conditions)) same (more or greater) same image
S46	13	(stricter near (rules or conditions)) same image
S52	8126	(image near extract$4) and group
S50	43	((greater or more or larger) near number near images) same (conditions or rules)
S63	61	(results near modif$6) same images
S55	54	((greater or more or larger) near number near images) same (calculations or computations)
S33	504	((different or multiple or various) near (duration or time)) same slide same view$3
S70	459	(SHIOTA adj KAZUO) or (KANEKO adj KIYOTAKA)
S71	809	S69 or S70
